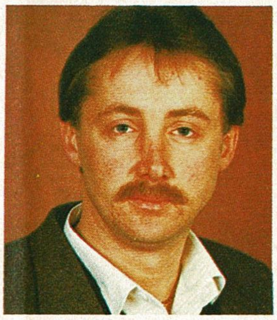
A VERY IMPORTANT STATEMENT

from the publisher of this magazine: my tribute to Mary Millington –



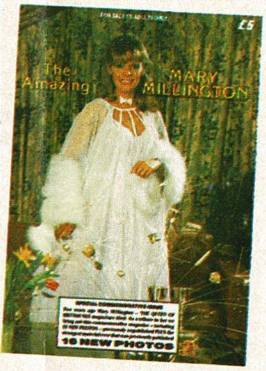
Publisher: Ray Darner

Dear reader,
Eight years ago I worked in a Steel Mill in the North of England. I was twenty two years of age and like most young men I enjoyed reading men's magazines (I still do today for that matter!). There was one magazine Star who was my real favourite – she was the model who always showed that bit more; she was the model who first posed with vibros up her pussy in a National men's magazine; she was the girl who managed to get herself photographed nude on a navy Submarine – and shocked the nation in the process; she was the model who firmly believed in her fight for freedom; her aims were ideals not monetary gain; she was the only model who was prosecuted under the obscene publications act and at a famous Old Bailey trial UNANIMOUSLY ACQUITTED . . . THE MODEL WHO I ADORED WAS MARY MILLINGTON.

On August 19th 1979 Mary tragically died; now five years after her death I would like to make available various items to you all to remember Mary by – and as my tribute to her I've arranged for all these items to be offered at nearly HALF of their previously advertised prices. If you're a Mary fan you'll want to take advantage of these very special offers – if you're a new reader whose only started buying this magazine in the last five years then you now have a chance to see why MARY has been acclaimed as the GREATEST SEX SYMBOL THIS COUNTRY EVER PRODUCED.

MARY MILLINGTON
Britain's greatest sex symbol!

The amazing MARY MILLINGTON



UNCENSORED:

Our tribute to the Greatest Sex Symbol of all time. Mary Millington died as a result of her fight against censorship. This magazine is produced as a tribute to her and all she stood for. THIS IS HER OWN STORY IN WORDS AND PICTURES. We censor NOTHING – publishing new and old photos that are typical of the explicit style of posing that made Mary famous . . . Includes 16 NEW PHOTOS.

WARNING:

This magazine contains the most explicit material of Mary that was ever published. DO NOT BUY THIS MAGAZINE IF YOU'RE SHOCKED OR EASILY OFFENDED. We publish it as a tribute to her, what she fought for and the type of photos she liked to pose for.

EDITORIAL

SHOCK! HORROR! WHO GIVES A SHIT? NOT FLEET STREET!

A Sunday "gutter press" hack called us up on the blower today, pursuing a "major scandal", so he said. And what, might you ask, was he after? Exposing corruption in the government? A secrets leak from Whitehall? Seeking to prove that Mrs Whitehouse is receiving financial backing from South American-based former Nazis? Not a word of it! Our centrespread girl of 5 or so issues back was trying to get a respectable job, and he figured it was the public's right to know! "Piss off!" we said, aping the journalistic style of his paper, because all this "journalist" really wanted was more dirty pics for his own sex-obsessed little rag. On the one hand it's fine to show a girl topless, but in centrespread style? That's outrageous, unacceptable to the public at large, and GROSSLY obscene!) Indeed, what hypocrites Fleet St tabloids are! The more they rely on sex to maintain profitability, the more they seem to want to put the boot into the sex magazines! True to style, the hack who spoke to us was so drunk, we could hardly decipher his requests, but when we "blanked" him, the air was bluer than a Color Climax centrefold. Could this jerk, we wondered, REALLY be a representative of one of Britain's top-selling newspapers? Indeed, he was – and an assistant editor, at that! Finally he regained his composure and said "Come on, we're all in the same business aren't we? All this "outrage" and guarding public morals stuff is all shit, isn't it? I mean, I know, that, YOU know that--- who gives a toss for the punters anyway?" THAT, dear readers, is what Fleet St thinks of YOU. And what do We think of THEM?

SHOCKING! DISGUSTING! AND DOWNRIGHT HYPOCRITICAL!

VIDEO DISCOUNT VOUCHER. AN IMPORTANT MESSAGE & URGENT ANNOUNCEMENT TO ALL VIDEO OWNERS!

PLAYBIRDS continental SERIAL

A ROGUE AT LARGE

By Derek Kirt

Part 4.

Editor. For three months now we have been reading Derek's story, we receiving floods of letters from you regarding his callous attitude to sex with married women encountered in his job as an insurance agent. Last month he had tried to explain the reasoning behind his attitude when he had caught his wife with a neighbour, that some years previously. Now at thirty seven he was looking back over his 'sexual' career, last month he had ended with a promise to tell us some of his experiences with other than the wives of his clients. Mentioning a girl called Gillian, promising to reveal all . . . which is as much as I intend to say by way of introduction, if you missed out on parts one to three then utilise the back numbers issues in this magazine or order up from your local 'Private' shop. Now read on . . .

It was shortly after my thirty first birthday that I first saw Gillian, she was then just fifteen, the pretty daughter of a couple who had quite a bit of inusrance with me. Right from the outset it was obvious that the kid fancied me, although at first I put it down to the usual schoolgirl crush for an older man. Plus the fact that her mother, Gwen, was also hanging out the warning symbols encouraging me to call around to collect premiums during the daytime. 'When Ken is as work.' Her words, loaded with underlying promise. If the daughter was pretty, then her mother was beautiful in a mature way. Heavy looking breasts, trim waist and powerful hips, shining black hair to her shoulders and a set of generous lips that smiled easily whenever we met. One wintery afternoon in February I called at the neat semi-detached house at around two in the afternoon, having already telephoned that morning to say I would. Gwen had sounded excited by the prospect, told me that the back door would be unlocked as she might be busy decorating a bedroom. I walked in, went to the hall and called upstairs announcing my arrival, busy she might have been but not with decorating from the vision I saw on the top of the stairs. 'Come on up, Derek, see what I've been up to.' I had seen the neatly brushed hair, the carefully madeup face and the long satin dressing gown . . . do ladies decorate in dressing gowns? I smiled to myself as I dropped my briefcase in the hall, back tracked to lock the door and then hurried upstairs. Only one door open, inside Gwen perched on the top of a step ladder, brush in hand but no paint!

'Give my your advice, Derek . . . can you see the bush marks? Stand at the bottom of the steps . . . there can you see? Oh God, I could see alright for the front of the gown had one side caught on the step platform, thereby being held open enough for me to look straight up into her crotch! 'Can you see?', I swallowed hard. 'Too right, Gwen, and I like what I see.' Stockings, suspender belt and a frilly scrap of lace operating as scant cover to her hairy quim . . . sweat already on my brow as I licked my lips in anticipation of the treat in store for me. She came down the steps, the brush dropped to the floor and she stepped off into my arms, her generous mouth at once pressed straight to mine. What a kiss that was . . . I mean more like a full frontal assault that the mere connecting of our lips! No preliminaries, no tight lipped stance whilst we adjusted for without hesitation those gorgeous lips apart and her warm tongue seeking to bury itelf within the confines of my mouth. Leaving me in no doubt as to the urgent need as with skillful ease she began to stab it suggestively in and out in simulated style of oral copulation. I had to break the embrace to drag air into tortured lungs, an action which Gwen took as my distaste for the act. 'Please, . . . please, Derek, I know I'm thirty seven . . . but I keep myself in trim I'll be good for you I promise . . . don't deny me . . . please . . .' A tearful edge to her voice as I breathlessly explained that my withdrawing had merely been in the interests of self preservation, rather than any dissatisfaction with what was on offer. At that she smiled again and brushed away a stray tear, tossed her lovely black hair and spoke with more confidence, a deep throaty voice that revealed her inner need. 'Ever since you first came here, Derek, I've wanted to kiss you . . . I get so damned frustrated, Ken doesn't seem interested now . . . I mean he doesn't do things with me like we used to do.' I judged the time aright to step in, smiled knowingly. 'Once or twice a month is enough?' She looked sad, 'Yes . . . if I'm lucky, even then its just a quick climb atop and going away like a rabbit till its over, for him anyway. Often enough left in the clouds myself, I don't think you'd leave a woman like that, Derek? I smiled again, assured her I wouldn't as I slipped the single tie holding together the dressing gown and saw the underlying half cup brassiere, that garment supporting her fine boobs which threatened to pop out of its skimpy cover at any second. That assisted with some haste by my locating the clasp twixt her shoulder blades, unhooking so that I could brush up the cups and let her fabulous breasts fall free.

Out flopped those super titties for my delight, fabulous mounds to be felt and fondled at will as Gwen groaned loudly and pressed them to me for firmer attention. The big, rubbery teats soon stiffening into hard peaks as I tweaked them fast. I thought it right to demonstrate my delight at being given freedom upon them and sank down to draw her right nipple into my mouth for a full tonguing, nor was I wrong as Gwen sighed happily to have her breasts thus stimulated. I gave each peak a fair share of attention, loving the taste of her gristly nipples inside my mouth as I dragged them in turn

of the frustration of the German school run on convent lines with no chance to meet boys . . . eyes smiling as she said she preferred 'men'. Then off again in the September to a college for more study, not until Christmas approached and with it her eighteenth birthday, did my chance arrive at last. Then under strange circumstances, I didn't even know she had arrived home when I called about two in the afternoon having previously arranged with Gwen for a session. There opening the back door to me was the delicious Gill, her fine hips and legs seemingly poured into close fitting slacks, her thin sweater jutting out with her precious boobs drawing my avid attention. 'Come in, Derek, mother has had to rush off unexpectedly to see a sick relative. She has left me the premium.' I followed her through to the lounge, watching intently her gorgeous bottom as it swayed erotically. She handed me the cheque, I duly recorded it on my sheet and then felt at a loss as to quite how I should approach the seduction of this lovely girl? That was a laugh, there she was hands on hips smiling almost spitefully at me. 'Ever since you came, Derek, your eyes have undressed me continually. I agreed to stay in to give you the cheque . . . am I supposed to offer the full service you enjoy with Mother?' The amazement was etched on my face, Gill continued. 'No need to look surprised, Derek, I've known for years that you and mother are lovers. Should I strip for your, or would you rather undress me yourself?' I slumped into a chair, stared at her hard. 'You don't have to do anything unless you really want to, Gill.' Which was all I managed as she still smiled calmly before speaking. again.

'I do hope mother is good in bed, that the pair of you really get a kick out of having sex?' That caught me on the raw, 'What Gwen and I do in bed is no business of yours', young lady.' She snorted, gave a toss of her long, black hair. 'Young lady is it now? Not so young . . . old enough to go to bed with any man I chose, I've done it lots of times.' The previous confidence in her voice wavering slightly which caused me to think she was lying, I made no comment on that fact. 'Thats as maybe, Gill, but you'll have to have lots more men before you can hold a candle to your mother.' The conversation was bugging me, one more back into a haughty mood Gillian stamped her foot. 'Leave please, Derek, you have no chance of ever getting me into bed.'

Maybe you'll think me crackers but as I drove away I had a warm glow inside, confident that in fact it wouldn't be long before Gill changed her tune. I got two phone calls that evening, the first from Gwen apologising for the afternoon, asking if I could get over to her aunt's in the morning for a session as she hated to think in terms of Xmas without me shafting her first! Crazy woman, but nice, of course I agreed. Then the second call, Gillian announced who it was and then went quiet, I waited patiently until she blurted our her message. 'I was a fool, Derek . . . I mean I'm jealous, ever since you first started to call at our house I've wanted you . . . I've saved myself for you, Derek . . . honestly, I've never let any man do other than kiss me . . . its you I want to teach me everything about my body . . . can we meet . . . please?' Could we, I had an erection up to my eyebrows from listening to her sexy confession, assured her we could although upon discussion she was afeared of it happening at her home. Finally we settled on a plan, Gillian would come to my house the following tea time, her mother was staying with the aunt for a couple of days and she could easily invent a 'story' of going to stay with an old schoolfriend who would cover for her.

I reckon that following morning's session with Gwen was one of our best, right there on the living room carpet with her aunt upstairs in bed, Gwen desperate for a screw and taking the whole of my fat chopper up her eager quim. Me driven on by the prospects of actually having her daughter later the same day, still glowing warmly as I drove back to town and did some shopping in preparation for Gillian's arrival. She due at five fifteen, right on time, hurrying inside after coming the back way, clutching a small suitcase.

I was acutely aware of the need for restraint as I helped her out of her coat lust rising within me as I saw that beneath it she wore a figure hugging sweater and tight jeans. She was stood shyly in the kitchen diner when I returned from hanging up her coat, she sat at the table when I invited her to. 'Drink, Gill?' In truth I, so normally at ease with women, was feeling disturbed by her presence. She smiled nervously as she watched me collect a bottle of wine and two glasses, set them on the table. 'Thank you.' Her only comment as she took her glass and sipped it, I saw her shudder. 'Too dry?' A shake of the head, 'No . . . its fine, I'm just not used to it . . . like I'm not used to lots of things, Derek. I feel so funny inside . . . I mean knowing what we are going to do, wondering what it will be like?' I relaxed somewhat, told myself I had all night and tomorrow to bring this delicious damsel to full awareness of her sexual attraction. 'No hurry, Gill, no need to panic. Lets talk, lets get to know one another over this bottle of wine.' That she readily agreed to so that over the next hour or so we talked easily, about her studies, her hopes and dreams. About my life with me not trying to hide the fact of my living mainly for the pleasure I could get from sexual activity. That intrigued her, she wanted to know details of quite what her mother and I got up to when alone. I back pedalled a bit there, skimming over all but the briefest detail. The bottle empty, quite dark as I led her into the front room with a second bottle of wine.

Curtains drawn, comfy with the gas fire burning brightly, both of us on the deep settee, me gently taking her glass so that I could draw her into an embrace for our first kiss . . . Oh Lord what a sweet event that was, Gillian wore hardly any makeup, although I caught the enticing perfume as I closed my mouth tenderly unto her precious lips. Made no attempt to storm an entry as I merely keep my lips to hers', waited until she relaxed a little before I began to tentatively stimulate her into deeper involvement with my tongue flickering lightly on her closed mouth. It worked, gradually she opened her lips to receive my questing tongue, she tasted so damned good, so innocent and sweet as she let her own tongue become entwined with mine so that the previously chaste kiss was moved into an open mouth, frank expression of mutual attraction. Gently I appraised the outline of her fine breasts through her sweater, letting her get used to the idea of my intimacy with her body with no attempt to touch other than outside her clothes.

I felt her tense as I eventually ruckled up her sweater to allow me to come to grips beneath its cover, I pressed on regardless for she made no move to resist my seeking out the back clasp of her simple cotton brassiere. I trembled myself as I achieved my aim and pushed the cups up and away from her gorgeous tits, my right hand closing over her left breast and my cock jerking hard as I felt the pliant firmness of her gorgeous flesh. Gill gave a throaty moan as she experienced my hand gentle manipulating that super boob, I kept our mouths attached as I spent long minutes fondling her breasts, very quickly the teats hardening up as witness to her arousal and agreement to the act. I broke the kisss, 'Gill . . . I am going to take off your sweater and bra.' I saw the flicker of fear in her eyes, 'I want to see you, look at you . . . there mustn't be any secrets between us, pet.' An almost imperceptable nod as I skinned her out of the sweater and removed the loosened bra, oh my God . . . my mouth suddenly dry as I held her at arm's length and contemplated the fantastic sight of her breasts. I's seen plenty in my time, felt, sucked and fondled many a pair but hers' were beyond comparison in my book! Snow white mounds of firm flesh, each capped with an erect teat of the most wonderous pale pink that centred aureoles of a slightly darker hue. A pair to be worshipped, a pair to be praised. Her head averted from my eyes as I looked up, then with a growl dropped my face into the marvellous feast, my mouth anxiously seeking out a nipple, that drawn inside to have my tongue play happily over its hard texture. I suckled her, kissed her tits for maybe twenty minutes . . . who keeps track of time in such circumstances. Despite having screwed her mother that very morning I was already getting a real ache in my balls to have Gillian, fighting the desperate urge to strip her off and have possession of her at once with the knowledge that to go easy at this stage would pay handsome dividends later.

I located the top button fastening her jeans, slipped it free, my mouth still avidly attached to her swollen teats. I heard her gasp as I pushed down the zipper, very gently I rubbed her flat stomach, making no attempt to progress further down until such time as she was willingly relaxed enough to accept the intimacy involved. I came away from her tits and kissed her mouth again, finding her more generous now as she gave herself fully to the oral contact, thrilling me as I sensed the arousal for her tongue played freely to excite and offer out the promise of bliss to come at a later stage.

I judged the time ripe to bring things into closer terms, by that I mean I took off my jacket, tie and shirt. Quite blatant as I undid my fly, although at that stage did not reveal to Gillian the engorged state of my fat cock. She watched me, no longer embarrassed that I could see her boobs, in fact seemingly calm and collected. We drank more wine, toasting each other and laughing somewhat too hard . . . both it appeared aware of the nearness of the final act and yet wanting to delay the occurence for as long as possible.

I urged her into a further embrace, suckled her tits for a while, then judged the time ripe for her to be introduced to my tool. Taking her left hand I guided it firmly down into my gaping fly and unto my rigid cock inside my jockey shorts, Gillian moaned as her hand landed directly unto the huge pole. My mouth by that time back on hers', jamming my tongue deep until she came to terms with the thick staff throbbing in her palm. The sensation of her fluttering fingers upon my penis was fantastic, I damned came my lot simply to have her handling me! We broke the kiss for much needed air into the lungs, she staring directly at the exposed erection now jutting openly from my groin. 'Derek . . . I mean is that supposed to fit into me? Its so big . . . it will hurt me . . . I don't like pain . . .' I wasn't to sure how to reply, kept silent in favour once more piloting her hand to my cock in an attempt to let her come to terms with it. At first she seemed reluctant, then gained confidence so that within ten minutes she was stroking the thick member happily enough. 'Derek . . . I love it, it feels so strong, so wonderful.' I fondled her boods as she continued to feel my prick, wanting now to get inside her white cotton panties exposed through the gaping front of her jeans. She did not murmur as I once more dropped a hand unto her quivering belly, stroked it gently and moved lower, felt the beginning of the springy bush, fingers ever straining to get deeper towards the treasure that nestled twixt her shapely young thighs. I reached the incurve, the position on the setee not really ideal for my purpose as I endeavoured to sneak around to locate the slit leading to her virgin cunnie. I really needed her naked, would she agree? Best test the temperature, 'Darling, I think we ought to get undressed . . . would you like to go to bed or stop here?' Her eyes wide, glistening and lovely, her voice faint. 'I . . . I'd like to stay here, Derek . . . help me . . . be gentle . . . please . . . please don't hurt me . . .'

As carefully as I could I helped her out of her jeans, she stepping out of her cotton panties so that my eager eyes could contemplate the dark snatch, she had kicked off her flat shoes and only retained knee length socks which added to her appeal. Rapidly I adjusted the composition of the scene, dropping my trousers and pants, taking off my shoes and socks so that I was naked. I saw the look of terror on Gillian's lovely face, quickly refilled the empty wine glasses, sat with her on the settee in a sort of 'limbo' state feeling perhaps a little foolish and yet terribly aroused as she drank down the wine.

She the one to further the cause, her arms around my neck and her mouth pressed eagerly to mine. Was it the wine? Possibly to a degree, but here was a gorgeous virgin offering her alll as she kissed my suggestively. I wasted no more time, stroked up her legs and urged them to open to enable me to reach up into her innocent crotch, fingers scrambling to feel that puffy outline of her cunt, already it was damp as I increased the pressure to let me worm a finger deeper to explore the previously neglected area. Gillian clinging to me hard as I

started to finger her cunnie lips, thrilling in my heart to be the first man into this sweet region. She had a super cunnie, so neat the labia, so smooth and the darling outer lips opening up to receive my ministrations as I fingered up into the warm, now damp, confines. Moans escaping her lips as she felt me pushing my thick middle digit up into her hot twat, that learned finger playing havoc with any doubts she might have retained as it played happily inside the delicious gash. I broke long enough to seek out essential equipment, I mean a sheath to fit over my near bursting cock. Gillian watching as I fumbled in my jacket pocket, 'Derek . . . I've a confession to make . . . please forgive me . . . you see six months ago a friend and I went to a clinic, I'm taking the 'pill' . . . tell me you don't mind?' Mind? God, I was over the moon by the prospect of going into this lush bundle 'bare back'. I smiled at her, 'Darling, thats wonderful news. I'd hate to do anything other than be as close to you as possible . . . let me show you how! Her arms up in welcoming gesture, me easing apart her super legs so that I could actualy get in there as I hovered above her like some giant bird of prey, lowering down to her and rubbing my cock gently unto her belly. Gillian looking up at me with wide, trusting eyes,' Make it easy, Derek . . . I want it to happen . . . I do, honestly . . .'

Despite the freezing temperature outside I was sweating heavily, indeed hardly needed the benefit of the gas fire to raise my blood heat. Aware also that to screw her on the settee this first time was hardly the easiest of propositions, to that end gently encouraging her to join me on the thick carpet and with care slipping a chair cushion beneath her curvy young bottom cheeks to lift that treasure of a quim into the best possible angle for penetration. Still her gaze held mine as I once more lowered, this time taking my thick tool in my right hand and guiding it up into the damp outline of her labia lips, a tremendous excitment pervading my whole body as I first touched the secret spot and tenderly rubbed my taught bulb up and down the tight crack as an introductory stage. Such trust, such innocence, such utter acceptance etched in her wide eyes, glistening as they did as Gill bravely wiggled her thighs as far apart as possible.

I recalled with heavy heart my previous difficulty, frustration when endeavouring to remove my former wife's virginity. Yet this was so different, already her darling cunnie blossoming out to receive my flesh, without any effort on my part the bulb was suddenly enclosed within her opening. My heart thumping madly as I felt the full wonder of possession becoming a reality, indeed progress was quite easy for a while until I hit the inevitable barrier. That thin flap seperating her from womanhood standing sentinal over her innocence, I paused, drew in a deep breath and saw the effort of acceptance mirrored in her face. Gill smiling grimly, 'Derek . . . it feels lovely, so hard . . . almost brutal . . . do me, darling, make it happen . . . I know you will have to push hard . . . do it, please do it . . .' How could I retain any sort of control? My whole body was crying out to crash on, to hump up hard and fill her love tube with my pulsing flesh, I drew back a little and slipped both hands under her quivering bottom, grasping the pliant cheeks and then with an urgency born of need thrust up firmly. Gillian gave a startled sob, my cock breetched the hymen at first attack and there I was surging deeper! None of the terrible moans associated with initial intercourse, just a few deep grunts as the precious little bundle now clinging to me allowed my steaming tool to ream up into her unsullied channel. I was overtaken with the moment, kissed her jutting breasts as I fed home inch after inch, jamming to capacity her beautiful vagina, looking up and into her eyes which still stayed open.

I had finished, my semen bubbling in my balls, I wanted to tell her that I couldn't wait . . . yet deemed it impossible to convey to her quite what I meant and chose instead to work out my own salvation with firm lunges in and out of her tight crevice. That strong, young body responding as she moved lithely beneath the attack, working her pelvis against mine as I raced towards conclusion. Me giving out a loud yell of triumph as I spat out my rich cream to bathe her hot cunnie, she clinging on hard as I pumped out a lengthy climax. Only slowly did I ease off the pressure, still rubbing my cock up and down her chute long after the last dregs had been milked free.

At last I slipped from her battered orifice, Gillian sighing as I did so. 'Derek . . . we did it . . . oh it was lovely, I'm so glad I saved myself for you.' Which gave me a spooky feeling of guilt, especially when I recalled that on the same morning I had shafted her Mother! We lay side by side on the floor, petting in the aftermath, she making me squirm when she handled my sensitive, now deflated tool. 'Oh dear . . . its so soft now, Derek, how can it get so big and hard?' I grinned at her, 'You keep playing with it like that and it will soon get big and hard again, pet.' She giggled, kept up the fondling as if willing my erection. Eventually I extracted myself from the embrace, simply replaced my slacks and told her I was going to cook us a meal, preparing steaks while she interrupted in the nicest possible fashion. By that I mean that as I worked the little darling, sweater and jeans alone redonned, kept sneaking up and unzipping my fly for a further feel of my cock! Needless to say I availed myself for the chance to simply ruckle up her sweater and giver her super tits a thorough carassing, which meant that what should have been a twenty minute preparation time actually stretched itself to near on two hours before we sat down to eat. More wine, eager chat from Gillian who was over the moon at the fact of ridding herself of her virginity, telling me how much she had dreamed of the day. Boosting my ego when she said that the act had been so much better, so much more exciting than she had imagined. We got to bed around ten, having screwed Mother a.m. and daughter p.m., I was well set to withstand a long session. Handling her gently at first, fingering into her soon wet cunie for ages until I sensed that the little darling was ready for her full experience of orgasm, only then slipping my cock back into her hot quim.

Taking time out to ensure her satisfaction, rewarded when with squealing delight she peaked away wildly under my guidance. Kissing me wetly, hugging me once she had subsided from the glorious zenith, laying back happily while I plugged her gash soundly and ejaculated deep. The sleep that followed dreamless and peaceful, the awakening no less happy for Gillian slept soundly by my side. I pushed down the bedclothes and thanked someone for giving me the opportunity to be the first to explore the full potential of this lovely young creature. Careful not to disturb her slumber I got up and slipped on a dressing gown, padding downstairs to make myself a coffee. It was just after eight on that Saturday morning, I rubbed my bristled chin, went for a shower and shave and was contemplating taking her a coffee when she appeared in the kitchen. What a sight!

The only garment a pair of skimpy panties! Nothing save that fragile item to save her from my avid gaze, nor was she seemingly concerned as I let my eyes drift over the wonderous outline of her vibrant figure. 'Good morning, Derek . . . can I have a coffee? My God, she could have anything she asked for just so long as I got twixt those shapely thighs once more. I duly made the drink, she sat at the table sipping the hot brew and chattering still about her joy at the events of yesterday. I'll let you into a secret, I curse myself nowadays for not speaking out at that time. I mean I am sure in my heart that if I had professed love that morning I could have got Gillian to marry me . . . what stopped me? Oh, a number of things . . . the previous bad experience of marriage, the age gap and the fact of her just learning the full pleasures of sex.

As it was I spent most of Saturday, half of Sunday continuing her education with regard to usage of her charms, we did it standing up, rear entry and she sat on my lap. Gillian was an eager pupil, wanting to learn all facets to enable her to extract the maximum pleasure from sexual contact. Nor had there ever been a more willing tutor than yours truly!

I came to the conclusion that she was merely another pleasureable interlude . . . over the intervening years I have had moments of deep regret, yet now Gillian is married to a doctor and they have a lovely daughter. I still see her occassionally, we do not discuss what occurred yet within her eyes do I detect a slight impression of regret? Ah well, that me . . . fancy free and ready to take up the challenge whenever a frustrated female appears on the horizon.

I guess my story has run its course . . . you either love or hate me! Of the fact I have been made acutely aware by the letters received following my revelations, so be it. I cannot alter my lifestyle, can only say that for as long as I am capable I will continue in the same vein . . . bye the bye perhaps you guys ought to take a close look at your insurance agent, or the milkman . . . I mean if you are negelecting your duties sexwise you should consider that the dutiful little wife might become a 'raver' in some other man's arms?

The Editor has asked me to write again at some future date to reveal more startling details of my sexual experiences . . . I might, I might not . . . meantime, fellas, have a close look at that lovely lady you married. Make sure she is getting her share, they tell me there is nothing like a permanent relationship . . . who knows I might even try it myself someday . . . just make sure it isn't with your spouse!

Emmanuelle. That says it all. You've all heard about me, most of you have seen my films. Everything they say about me is true, I love sex, live for sex, and will do anything at all to obtain sexual pleasure for myself.

My latest film, which is my sexiest yet, is set in Cannes, in the South of France.

I had a great deal of fun making that film, and indeed, I had a lot of sexual fun in Cannes after each day's shooting had finished.

One of the girls in the film, Sara, was really something, and she and I got it off very well indeed, and I'll never forget how, after the first day's shooting, she came round to my hotel, my suite of rooms at the hotel, to talk about the next day's script.

You see, the following day, she and I had a lesbian scene to shoot for the film, and as she had never fucked with me before, she was a little nervous, so the best way to do it, I thought, would be to go through the actual scene right there and then.

Sara also thought that was a good idea, and so we went into my bedroom, and I must admit, that we soon forgot about the script as we really got it together. We forgot about the script when we realised just how much sexual fun we were having.

Like I said, Sara and I went into the bedroom, and there she undressed, and when I saw her very beautiful naked body, I started to cream up inside my pussy right away.

She went over to the bed, stretched out, and watched me as I undressed, and as she did so, her pussy lips started to pout with lust.

I was really soaking wet inside as I got onto the bed, I was panting with lust for this woman, for she had shaved off all her pubic hair, and those cunt lips of hers looked really adorable, really kissable, really suckable.

She looked up at me, and she must have known what was in my mind, for she opened her legs wide, and as she did so she said: "Oh, Emmanuelle, I have always dreamed about the day when you would suck my pussy."

I smiled, for many women, and men, and couples, have said that to me in my time.

I moved down the bed and placed my face between her thighs and gazed at her pussy, at the shaven mound at the fleshy lips, and I saw large sparkling drops of cream on those lips of hers, saw that her erect pink throbbing clit was peeping out from its hood of skin.

I moved closer and breathed in, and the sweet scent of her juices, of her cunt, wafted into my lungs, and it was so lovely that I became even more turned on.

I started to lap with my tongue at her cunt lips, and she was so worked up about having the one and only Emmanuelle doing that to her, that she climaxed on the spot.

As she climaxed so she creamed up even more, and the lips parted just a little and more creamy fluids came bubbling out.

I lapped up those drops of juice from her cunt lips, and the taste was so divine that I shuddered with lust anf felt my own cunt lips parting with pleasure.

I lapped some more, drank down some juice, and then I just had to have a look inside her pussy, and with my own cunt red hot with passion and lust, I used the tips of my fingers and then slowly parted her quim lips and looked inside her love nest.

What a beautiful sight it was, what a sexy view it was, for she was very tight in there, and the flesh was pink and juicy, and those creamy fluids were bubbling away in her very depths.

I opened her cunt lips wider, and the juices bubbled over my fingers,

ZETA SORTS IT OUT

PLAYBIRDS continental FEATURE

My aim has always been to help as many people as possible, and that is why I travel all over the country looking for deserving cases.

As you know by this time, I don't care for rich and flash guys, and have not much liking for so called super studs.

My type of man is the 'man in the street' the sort of man, for instance, who will be reading this. If that sort of man is down, is low, is unhappy, or has a problem, then I will do all I can to help. I make sure that he is a deserving case, and then fuck with him.

I know that sex is not the answer to every problem, but I have found that when I fuck with a man it gives him a real boost, makes him feel much better, gives him back all his old self confidence, so that he can face the world again.

When a man realises that he is going to bed with the one and only Zeta, then it really does give him a new lease of life.

I help all sorts of men with all sorts of problems, I have been to bed with fat men, thin men, short men, bald men, spotty faced youths, all of them needed my help, and I was more than happy to give it to them.

Let me give your a typical example of what I do, and then you'll see what I am getting at.

Just a few days ago I ran into a man called Stan, and he was really down, seemed that the last woman he had been to bed with had said he was useless, and on top of that, Stan had just been fired from his job. No wonder he looked really sad.

I'd overheard the details about him in a cafe as he talked it over with a mate of his, and when that mate left, I moved over and introduced myself, and he could hardly believe it was me, for he had read all my stuff, seen my pictures, and when I said that I had heard about his problem, and that I would like to help, his eyes sent wide with surprise.

It seemed that the girl who had said he was lousy in bed was complaining about the fact that he came too soon.

Well, that girl ought to have been shot, for you never tell a man off for something like that, what you do is help him with the problem.

Well, we chatted, and the more I talked to him, the more I realised that he really did deserve my help, for he was a very nice man, trying his best, and not having a job was making him really fed up. I could see that he needed something to give him a boost, so I leaned over the table, touched his hand, and said that if he cared to come back to my flat with me then we would go to bed, and I was sure that I could help him with his problem.

I knew that all he had to do was relax, for that is usually the answer to all sexual problems, the man always tried too hard to please, if he relaxed a bit more in bed then the problem would go away.

Of course, he could hardly believe his luck that he was going to go to bed with the one and only Zeta, but he hurried back to my place with me like a shot.

As we undressed, I told him not to worry about coming too soon, that I was sure it would be okay this time, all he had to do was relax.

He was very worked up at the sight of my naked body, you could tell that from the way his thick cock was throbbing like mad.

I knew I would have to take it very easy indeed to make sure that he didn't come too soon, for if he came too soon with me he would feel really bad.

I knew the best way to get round it, and told him that I would suck his cock for starters, and that later on he could fuck me.

You see, when I was a blue film star in Sweden, I learned all the arts of sex, and knew that I could make him last a long time by sucking his cock, for then I would have full control over everything.

He was now flat on his back, and his cock looked very good, and I could tell from his face that he really was very worried indeed about coming too soon.

I leaned over and took his balls in my right hand and then started to lick and lap at his glans, and he tasted very nice indeed.

I then took his cock into my mouth and sucked at it very gently and very slowly.

He still wasn't relaxed enough, but I had the answer to that, for when there was a sudden bulging of his cock, which happened just a few seconds after I had started to suck him, I pressed the fingers of my right hand hard at the base of his shaft, and pressed the fingers of my other hand tight under the head of his glans, and that stopped him come right there and then, that stopped him coming okay.

I waited till his cock had gone just a little limp, told him just to relax and enjoy it, and then took his cock back into my mouth again and then started to suck.

This time it was a full minute before his glans started to bulge, and again, I quickly pulled his prick from my mouth and then used my fingers again, and once more he didn't come, and then I told him to relax, waited till his cock was slightly limp, and then started to suck again.

It took me four more goes like that before he started to really relax, before he really believed that he could hold back on his own.

That suck went on for a full ten minutes, and the next time his cock bulged and throbbed, I didn't do anything about it, I just let the thick sudden gush of hot sperm spurt into my mouth, and of course, as I drank that lovely stuff down, so I had a really good orgasm.

It was lovely drinking all that stuff down, and I could tell from his face that he was more than pleased that he had lasted so long, and I also knew that he wouldn't have any trouble the next time round, for with a sexual problem, once you have cracked it, it doesn't often crop up again. Mind you, I'd had to use every last bit of my skill to make sure that he lasted as long as he did.

He looked good, he looked a lot better then when I had met him, that suck I'd given him had obviously brought all his old confidence flooding back. I was sure that after some more sex, he would be a new man.

While he was resting, while he was waiting to get hard again, I thought I would give him a real treat, so after running my hands all over my body, I then placed my right hand on my wet pussy.

Yes, drinking his spunk had made me climax and that climax, as usual, had made me soaking wet inside my pussy, and as I placed my hand on my cunt, I could feel my hot pussy juice flowing out over my fingers.

I smiled at him, suggested that he should watch, and then pushed three of my fingers all the way into my pussy, and I pushed them in just as far as they would go.

When I am masturbating I never mess about,

with me sex is far too important to ever think about faking anything, and so, after I had plunged my fingers all the way into my pussy, I then moved them about inside me, rubbing the tips of my fingers all over my internal walls.

More juice bubbled out as I did this, lots of hot pussy juice in fact, and soon the room was filled with the sweet scent of my cream.

I was soon flashing my fingers in and out of my pussy just as fast as I could go, and the orgasms soon powered through me, really good hard orgasms which meant even more pussy cream spurted from my quim lips and soaked into the sheets.

Of course, watching me do that to myself really turned him on, and he became even more randy when I at last took my sticky fingers from my cunt and then placed them in my mouth and sucked them dry. Well, I always do that when I finish masturbating, for I just adore the taste of my own cream, love it almost as much as I love the taste of a man's come.

His cock was really hard and stiff now, and I could tell from the look on his face that he wasn't worried in the least about coming too soon this time round, and this pleased me, for it meant that once again I had solved someone's problem.

He obviously wanted to fuck, and so I gave him a really sexy smile and then turned round so that I was on my hands and knees on the bed, with my naked firm bum high in the air, and I suggested that he might like to fuck my pussy from the rear.

He got behind me, I expected to feel his hands go onto the cheeks of my bare bum, but they didn't, for he was now so confident about his staying power, that he just leaned in and then started to rub the head of his hot cock all over the cheeks of my quivering arse, and as you may gather from the way I put that, I just love that sort of thing; but I was more than hapy he was doing it, for it proved all his old confidence had come back.

He rubbed that lovely hot prick of his all over the cheeks of my bum for some time, and then he pulled back, then I felt his fingers stroke at my bum, and then those gentle fingers of his took a firmer grip of my skin.

I gasped with pleasure when I felt his cock slip between my legs, and then the head of his throbbing knob was touching the lips of my pussy, and my lips gaped open a little and lots of my cunt cream washed out all over the head of his cock.

Then I climaxed, climaxed with a huge shout of sheer and genuine delight, for his hot and beautifully hard cock was now going all the way into my quim from the rear.

I nearly always climax when a good hard cock goes into my pussy, and this cock of his was really something now, it seemed to have much more power in it than when I had sucked it, I suppose that was due to the fact that he was now much more sure of himself, and the fact that he was very happy about it all made me very happy.

Well, his fingers were on the cheeks of my bum, and his cock was all the way inside my pussy, and my pussy walls were bulging all the way out as he started to fuck me.

That lovely cock of his thrust in and out very fast, and for a moment I thought it was too fast, but five minutes later he was still going strong, still banging that cock of his in and out of my cunt from the rear just as fast as he could go.

I loved the speed of that thing, the power of it, the sheer heat and power of it as it blasted in and out of my pussy.

The glans were really huge, and he was banging it right to the very limits of my tube, and the orgasms were so hard and so very beautiful that my entire body seemed to have turned into one huge gigantic orgasm, and I don't get that feeling very often, so it shows you just who well he was fucking me.

Well, that fuck lasted ten minutes at least, ten minutes of flat out, of fast and furious fucking, which must prove that his problem was solved.

I was more than pleased with the huge amount of sperm that he shot into my quim when he came, and I think he was just as pleased as I was.

When he has stopped spurting spunk, he took his cock out, and then wiped it clean and dry on the cheeks of my bum, and that gave me a huge thrill.

Well, that was another problem solved, and I was happy to have been of service to that man. For my main aim in life is to help as many people as possible.

So don't forget, look out for me, for if you are a nice type of man, a nice 'man in the street' type of man, and if you have a problem, then one of these fine days you might just hear a knock on your door. Yes, you might hear a knock, and when you open it you could well find me standing there, and I will say who I am, will say that I have come to solve your problem.

I just wish I could meet all of my fans, but that would be impossible, however, I assure you, that I do travel round the country all the time, so please look out for me.

EMMANUELLE IS HOT

and the scent of her wide open cunt seemed to fill the room.

You know, just looking inside that wonderful cunt of hers made my quim so hot and wet that I almost had an orgasm.

I breathed in, and then poked my tongue into her pussy, and that woman climaxed again, and her fluids gushed into my mouth.

Yes 'gushed' is the only word for it, for a torrent of hot pussy juice flowed into my mouth as sson as I pushed my tongue into her quim.

I started to flick my tongue about over her cunt walls, and she yelled with pleasure, and then I poked my tongue in deeper, holding it very stiff this time, and then I sucked hard, for she tasted so very good that I wanted to get as much of her cream as possible into my mouth.

The flesh of her cunt walls felt really good on my tongue, and I started to dart my tongue in and out of her wide open hole just as fast as I could go.

She yelled and screamed some more, and after that her orgasms came so thick and fast it was really impossible to tell where one orgasm started and where the other one left off. In fact her entire naked body seemed to be turning into one huge orgasm.

I sucked, and I waggled, and I sucked and slurped again, and she had many more orgasms, and then I just had to come up for air.

After a short breather, I sucked very gently at her clit, and her climatic reaction to that was so great that for a moment I was sure she was going to faint with the sheer pleasure of it all.

Yes, she had one of the sweetest most beautiful cunts that I have ever sucked out in my life!

Being Emmanuelle, I am an expert at all forms of oral sex, and I used everything I knew to give that woman pleasure, and by giving her pleasure I was able to give myself a lot of pleasure also.

I came up for air, and she smiled, then her right hand came out and the tips of her fingers started to roam all over my breasts and nipples. She had a very gentle touch and soon I was sobbing with delight.

Her head came down and then she took my right nipple into her mouth, sucked very gently, and soon that nipple of mine was as stiff as could be.

I sighed with sexual bliss, and while she was still sucking away, so I placed my right hand on her damp pussy and rubbed at it, and she shivered, and then I eased three fingers all the way into that beautiful tight cunt of hers.

While she sucked on my tits, I finger fucked her, and she climaxed, and then I did, and we pulled apart. Like I said, all thoughts of the script had vanished from our minds, all we wanted to do was enjoy each other.

I told her to stretch out, and when she had done so, I crouched over her face, and she looked up at my pouting cunt and told me how lovely it was.

I smiled, reached down, pushed two fingers into my cunt, and those fingers of mine felt good inside my soaking wet pussy, and then I wanked slowly.

She gasped with pleasure when she realised what I was doing, and why I was doing it, for as I wanked myself off nice and slowly, so the large drops of juices from my cunt washed down all over her waiting face.

I could actually hear the splattering of my pussy juice on her face, which shows you just how much was coming from me.

I glanced down, and saw that she had now opened her mouth, that she was drinking down my juice, and that was such a pretty sight it made me wank off even faster.

Then I pulled my fingers from my pussy, and after licking them dry in my mouth, so that I climaxed, I then sat down on her face, and another huge orgasm went through me as she pushed her tongue all the way up inside my pussy.

I sat on her face for ages and ages while she explored every single part of the inside of my cunt hole with her tongue, and then I flopped forward so that we were in the 69 position, and for the next ten minutes we sucked each other out.

We rolled apart, her face was wet with my juices, and the least I could do was lean over and use my tongue to lap at her face.

"You know," she said, after that. "I could really do with a cock inside me."

"That's a good idea," I said. "Let me phone a man I know."

I picked up the phone, there were lots of men in Cannes that would have given anything to have fucked with me, and I think just about every single man in the world would have given all they had to fuck with me and Sara at the same time.

I needed a man who could last, so I

phoned Ron, a man I have known for a long time, a man who has been in a few films with me, and when he heard what I wanted him for he said it was the best thing he had heard for ages, and he would be round in about fifteen minutes.

"Well," I said to Sara, after I had put the phone down. "We'll have a cock here soon, but till then let me put something else inside that cunt of yours," and with that I went over to the dressing table and then took my dildo from the drawer.

Sara's eyes lit up when she saw it, for that dildo of mine is huge, and apart from that, she was turned on by the thought that the one and only Emmanuelle was going to wank her with it.

She lay flat on her back, those long legs of hers open wide, her lips pouting, juices dribbling from her cunt and soaking into the sheets. It was such an erotic sight that I thrilled with sexual delight.

I got onto the bed, held the balls end of that dildo in my right hand and then started to rub the glans shaped end against Sara's cunt lips, and she heaved with pleasure and her juices washed out all over the end of the dildo.

She was soaking wet, and that was a good thing, for her cunt was tight, and that dildo was very thick, so thick that I had to ease it very gently and slowly into her delightful cunt.

As the glans end of that dildo went into her pussy, so she shouted with lust, and then, as the rest of the shaft went in, she climaxed.

I smiled, worked the dildo from side to side in her cunt and then started to thrust it in and out, and at first I went nice and slowly till she had got used to having it inside her, and then, when she was really worked up, I banged it in and out just as fast as I could go.

Loud and very wet slurping sounds came from the depths of her pussy as I thrust that shaft in and out of her cunt, and as I thrust so she climaxed, and as she climaxed, so juices sprayed out over my hand.

It was really lovely to be able to work that wanking stick in and out of her cunt, and she loved it, and in the end, the faster and harder I fucked her with it, the better she liked it.

I wanked her off hard and fast, gave her so many orgasms that it was impossible to count, and each and every one of her orgasms was very intense indeed.

I pulled it out, eased it from her cunt, and then handed it to her, and she knew just what it was I wanted her to do then, and she sat up on the crumpled sheets and then used her tongue on the shaft of that dildo.

There was a knock on the door, and I opened it, and Ron was standing there, and when he saw that I was stark naked, when saw that juices were dribbling down from my pussy a huge smile appeared on his face and then, when he glanced over my shoulder into the room and saw the naked Sara on the bed, he smiled even more, and a huge bulge appeared in the front of his trousers.

He went into the room, and I closed the door, and Ron wasted no time at all in taking off his clothes, and of course, he was already fully erect, and when Sara saw the size of his cock, she gasped with pleasure.

When Ron had a good look at Sara's cunt, then his cock jerked like hell, and I smiled, for I had a feeling that this three way sex session was going to be very good indeed.

Soon the three of us were on the bed, and Ron loved Sara's cunt so much that he went down her, soon had his tongue slurping away inside her cunt. I thought I would give her a real treat, and so I sat down on her face.

I think that was the best start to a sex session that Sara had ever had, for she had Ron sucking away like made inside her tight wet pussy hole, and I was waggling about on her face so that she could drink down my juices.

After a while we moved apart, and I could see that Ron was dying to fuck Sara. I didn't mind, for I had fucked with Ron in the past, and it was only right that Sara should find out just how good his cock felt when it went inside her.

In any event, I also like to watch people being fucked, so I just sat on the edge of the bed and smiled at them, told them not to worry about me, that I would join in when I felt like it, and that they should start fucking.

It really turned me on to see Ron get on top of Sara, and that lady yelled with delight when she felt Ron's huge swollen glans pressing and rubbing against the delicate lips of her pussy.

There was a wet slurping sound as Ron pushed home, and as that thick jtool of his went inside Sara's pussy, the girl heaved and bucked and let out the loudest shout so far.

Ron was an expert at fucking, and he knew that he had to take it nice and slow, and so he easted the full length of his shaft all the way into that woman's cunt.

Sara climaxed again, and then she wrapped her long legs round the small of his back, and Ron grunted with pleasure when he realised just how tight the woman's cunt was.

I moved over a little and started to run the tips of my fingers over Ron's naked bum, and that pleased him so very much that his cock jerked, and that jerk inside her pussy gave Sara another climax.

I then leaned right in and lapped with my tongue at the bare cheeks of Ron's bum, and he heaved hard and Sara climaxed.

I pilled back a smile on my face, for I fully intended to do little things like that right the way through their fuck.

For the next couple of minutes I just watched as Ron shafted that wonderful tool of his all the way in and out of Sara's cunt.

Sara was having a great many orgasms, and who could wonder at it when she had such a huge cock inside her pussy.

In and out flashed that cock, and after a while I moved round again, and I was able to lower my head and suck at Sara's right nipple, and at the same time I used my hands on her other tit.

I moved back, and then carried on fucking, and it was great to see it, and as Ron had fucked me many times, I could appreciate just what pleasure, just what extreme pleasure, Sara was getting from that fuck.

Then, after about ten minutes, Ron started to speed up, and Sara's shouts of pleasure became louder and louder, and then ron gave a huge thrust, and then he also shouted lout loud and long as he shot his spunk into Sara's cunt.

Ron has always been known for the vast amount of spunk that he shoots out when he comes, and it was obvious from the look on Sara's face, from the expression in her eyes, that this was the biggest amount of hot thick sperm that she had ever had inside her cunt in her life.

Ron really pumped away for a long time, and I helped out by reaching down and taking his balls in my right hand and giving them a good squeeze. Well, I wanted to make sure he pumped every last possible drop of his come into Sara's quim.

He eased out and rolled over. I looked at his cock and smiled, and he smiled back, for he and I had been in this position before, I had often been with him when he had fucked other women, and he knew just what I had in mind.

Well, it may sound kinky, but I adore the taste of spunk, love the taste of pussy juice, and right at that moment, there was sperm and cunt cream all over his limp cock.

Okay, what I did then may sound kinky, but you must remember, I am Emmanuelle, and as far as I am concerned, if it will give me pleasure then I will do it. Nothing, but nothing is tabboo to me.

I soon showed her, for I leaned over and used the tip of my tongue to lap at Ron's balls, and then I opened my mouth and drew as much of his cock into my mouth as I could.

That limp cock of his tasted very nice inside my mouth, and I closed my lips over it and then sucked very gently, and kept on sucking gently until his cock was dry.

"That was amazing," said Sara.

I smiled at her. "I will do anything." I said.

She nodded.

I looked at her pussy and liked what I saw, for her lips were pouting and sperm was dribbling from the flesy folds.

"I think I would like a closer look," I said.

It didn't take Sara long to realise what I was getting at, and she smiled, lay back, and then both her hands moved down to her pussy, and then she used the tips of her fingers to pull her pussy lips wide apart.

Yes, she had reached down and pulled her lips wide open for me.

I moved my fact down between her legs and then feasted my eyes on the inside of her pussy. Okay, again that may sound very kinky, but I don't think it is.

After all, I like looking at sperm, and I like looking inside another woman's pussy, those things are perfectly normal, so what is wrong about looking at both of those things when they are together? What is wrong in looking inside a woman's pussy just after she has been fucked, what is wrong with looking at a man's spunk inside a woman's pussy?

I know that many men whom I have been with, men who have fucked me, have loved to look inside my hole after they have come inside me.

I looked inside that spunk filled pussy of hers, and it was a lovely sight, believe you me, all white sperm sticking to pink fleshy walls, and the scent was out of this world.

I then moved over a little, and Ron had a look, and he liked the view as much as I did. I thought that Sara should have a look also, and so I got off the bed and then went over to the dressing table and took a hand mirror from the drawer, an then went back to the bed.

Sara was still holding that pretty sperm filled pussy of hers wide apart with her fingers, and I held the mirror down there so she could look for herself, and the sight really did turn her on.

I placed the mirror on the floor by the side of the bed, and then I reached out and drove three fingers all the way into her pussy and wanked her off. Kinky? Perhaps, but we both really enjoyed it.

Later, after we had all had a shower together, we lay on the huge bed just talking about this and that, and then Sara sat up and said that as I had watched being fucked, it would turn her on to see me being screwed.

I smiled, and said that was a nice idea, and with that I went down on Ron and took his cock in my mouth and started to suck it nice and hard, and before long that cock of his was really stiff and throbbing.

I stopped sucking and told Sara to stretch out, and when she had done so, I got down on my hands and knees and then buried my face between her thighs. Well, I always say that when I'm being fucked it is very nice to suck a pussy at the same time.

I worked my tongue in and out of her cunt, and then felt Ron place his hands on the firm rounded cheeks of my bum, and for a few seconds, those fingers of his explored my bum cheeks, every single part of them.

Then I sucked harder at Sara's cunt, and she yelled as she climaxed, and at the same time Ron started to push is cock between my legs, and I felt that lovely swollen glands of his touching my pussy lips.

Then he pushed a little more, and I had an orgasm as his stiff shaft thrust all the way into my cunt from the rear.

I pushed my tongue ever deeper into Sara's cunt, and Ron pushed his cock as far as it would go into my cunt from the rear. It was wonderful.

I sucked and slurped away at Sara's cunt, and she produced one hell of a lot of juice, which I, of course, drank down.

Ron was fucking me now, and doing it very slowly, nice and easy and slowly, and I could feel that shaft of his fliding in and out of my soaking wet cunt.

Yes, it was perfect, me sucking Sara's cunt, and she climaxing, and Ron fucking my pussy.

I sucked hard and long at that pussy, and Ron was now in full stream, he was banging and thursting and shafting really hard in and out of my pussy.

Climaxes went through me as he fucked me, for that man really did know what it was all about, and the glans banged hard against the very depths of my pussy.

Then he speeded up even more, and then his glans grew even larger, and then he gave one huge final thrust and the hot sperm started to shower and gush into my cunt.

I had a massive climax as I felt that hot spunk flood into my pussy, and I lifted my heard from Sara's cunt and shouted loud and long with the sheer pleasure of it all.

Ron pumped away, for he knew just how much I loved spunk inside me, and he was making sure that I got every last drop that he had to offer.

Then he pulled his cock out, and he slowly and very carefully wiped it dry on the cheeks of my bum.

I moved round, and Sara sat up, and her eyes were filled with lust when she saw how much sperm was dripping down from my pussy.

She smiled, then reached out with her right hand and I climaxed as that sexy lady slowly pushed three fingers into my spunk filled pussy.

She worked her fingers in and out very slowly, and she loved doing it, she gasped out that it was the very first time in her life that she had ever finger fucked another woman while the man's come was still inside the pussy hole.

Well, it was lovely, and I think that shows you just how much fun I had while making that film of mine set in Cannes.

I am sure that all the fun I had in my private life while I was making that film is reflected in the actual film, and you know, people who have seen the sneak previews of the film, and especially people who have seen the French version of that film, say that it is the best one that I have ever made.

READERS LETTERS

Dear Editor,

I'd only met this girl an hour earlier, yet there I was in the bedroom with her. She was stark naked and had a really sensational body.

She was really desperate for it, for her pussy lips were wet and pouting, and her breasts were heaving up and down.

I dived onto the bed and went down on her, started to lap at her pussy, and as soon as my tongue touched that cunt of hers she had an orgasm.

She tested really sweet, really lovely, and I soon had my tongue all the way inside her cunt, and was slurping away like made, and she just had to be one of the wettest women that I'd ever fucked with.

I used my tongue all over the inside of her cunt, and then she started to beg me to get my cock inside her. Yes, beg me.

I smiled as I got on top of her, for this was the second new woman I had fucked that week. Yes, but I'll tell you how I met them later. Just to say they weren't hookers and this fuck wasn't costing me a single penny.

I was on top of her, and again she had an orgasm as soon as my cock touched those wet fleshy cunt lips of hers.

I slipped my prick inside her, and she yelled with pleasure, and so did I, for she had the tightest cunt I'd ever know, it was really tight and so very hot and wet.

Her arms went round me as soon as I was inside and she started to heave up and down.

I started to shaft her, really deep hard strokes, really hard and long thrusts, and she kept shouting kept asking for more.

I went at it like the clappers after that, really pounding in and out, my glans banging against her cunt lips, and now her legs were round the small of my back and she was gasping with lust, asking me to go ever deeper inside her hole.

My glans started to expand as I put everything I had into that fuck, and then the spunk started to fly, and she had the biggest orgasm then that I have ever seen any woman have.

I pumped my full load of sperm into her, and then pulled my cock out, and she rolled round right away and took my very sticky cock into her mouth and sucked it dry, and then she used her fingers, and she pulled her cunt lips wide apart and then glanced down so that she could see the spunk dribbling from her hole.

Yes, a very randy and kinky lady.

I met her through a contact magazine. Yes, that's right. In fact for the past few months I have been using a contact magazine and through it I have met many women, all of whom were desperate for sex.

I know there are some lousy contact magazines on the market, but the one I use has never let me down, it is called Come Together.

The publishers of this contact magazine are really good, they do not accept letters from whores, and you know that all the adverts they do have are really genuine ones.

What I like about them is that they pass your letter on very quickly indeed, it never takes more than a week for me to get a reply from a woman I have written to.

I also like the fact that each month that contact magazine contains many hundreds of adverts from really sex mad women, and all the adverts are genuine ones.

Yes, since I started to use that particular contact magazine then my sex life has really improved no end, I have met many randy women, and some of them have turned out to be very kinky indeed.

In fact, in the pages of that contact magazine you will find women who are into all sorts of things, you even get women advertising as doubles, women who want a man to make up a threesome.

I have, in the past, tried other contact magazines, with varying degrees of sucess, but never have I come across a contact magazine like Come Together.

I get my magazine each month at my local adult shop, and like I said, the result I have had have been marvellous.

I'll have to go now, for I'm expecting Jill to come round, a girl I met through the magazine, and in her advert she said that she likes to have men spunking all over her face, and she seems to think, from the letter I sent her, that I am the one to give her what she wants.

All I can say is that if any of your readers need more sex in their lives, then they should go out and buy a copy of the contact magazine that I use, I am sure they will get good results.

G. L. Swindon

Dear Editor,

It really was a sight for sore eyes, there I was, walking through my local park, and I saw this girl on a park bench, and she was wearing a shortish skirt, and as she crossed her legs, I saw that she wasn't wearing any knickers, then her legs came down, and they were open, the skirt had ridden up, and from where I was standing I could see her pussy, and what a lovely pussy it was.

Of course I got talking to her, and she wasn't a whore or anything, she worked in a bank as a matter of fact, but she said that going round without any knicers on gave her pleasure, for she knew that every now and then, menlike me, just passing by, would get a glimpse of her pussy.

Of course, I just had to take it a little further than that, and I asked her to come and have a drink, and she was very good company, and kept talking about her pussy, which, of course, made me randy as hell.

Well, I saw no sense in beating about the bush, she could have a cock teaser, and there was only one way to find out.

So I came right out with it, and asked her to come back to my place for a fuck. She smiled, said she would love to, finished her drink, and said we should go right away as she was wet inside her pussy, and needed something inside her.

As we walked back to my place, I could hardly believe my luck, but I wasn't going to question it, no way was I going to question it.

As soon as we arrived at my place, she rushed right into the bedroom and took her clothes off as fast as possible, and when I saw her naked body, my cock almost burst from my pants, and I ripped off my clothes and joined her on the bed.

She pulled me close, and soon her tongue was flicing in out of my mouth, and I could feel her large boobs and stiff nipples pressing into my chest.

Then her right hand was down and stroking at my cock, and then she had moved down, and her tongue was going all over my balls.

She was really good, and soon I was harder than I had ever been, and after lapping for a while at my cock, she rolled round again, flat on her back this time, with her legs wide open.

I slurped at her wet pussy for ages, drinking down lots of her hot cream, and then I got on top of her and pushed my cock all the way into her tight cunt, and she climaxed as I went in, and her legs clamped round my back and then she started to heave up and down like the clappers.

Her cunt was really great, tight and hot and wet, and it was a real pleasure to be able to bang in and out as hard as possible.

TOBY WARD LTD

She was shouting and yelling and climaxing right the way through that fuck, and like all really sexy women, her biggest climax came when I shot my full load of hot spunk into her quim.

I felt her cunt walls rippling up and down my shaft and she did everything she could to make sure that she got every last drop of sperm from my body, and then, after I had pulled my cock from her pussy, she rolled round once again, moved down the bed, took my limp and very sticky cock all the way into her mouth and sucked it dry.

Then she sat up and glanced down at her cunt, saw the thick drops of spunk dripping out, and she smiled, and her right hand went down there, and she wiped up some of the drops from her pussy, and then with a look of sheer pleasure in her eyes, she very quickly popped those spunk coated fingers of hers into her mouth and then sucked them dry, and then she went back for more, but this time she pushed three fingers all the way into her pussy and then wanked herself off to a huge climax, and it was after that she once again took her fingers into her mouth and sucked at them, and again, sucking my stuff from her fingers gave her an orgasm.

Well, for the next couple of hours we did just about everything we could to each other, and she just had to be the randiest woman I have ever met, she would do anything, and I do mean anything, to get pleasure from sex, and some of things she did were very kinky indeed.

It just goes to prove, that when you are walking through the local park it really does pay to keep your eyes open. If you see a bird sitting on a park bench and she doesn't have any knickers on, then it might well be the girl that I fucked that afternoon. Yes, when it came to sex, that young lady knew what it was all about, and I don't think I will ever forget the sight of her wanking off after I had filled that tight pussy of hers with my hot spunk.

Peter. W. Rhyl.

Dear Editor,

If you watch a woman closely enough, then you can sometimes figure out how good she is going to be in bed.

Let's face it, many of your readers will have taken a woman out, wined and dined her, and then got her into bed only to find out that she wasn't really worth the effort. There is no real way of figuring out just how good a woman is going to be until you actually get her into bed.

But there are certain signs, you know, signs that can give a hint of what the woman will be like. Let me give you a really classic example of this.

I was out on my first ever date with a girl called Janet. I'd been after going out with her for some time.

She agreed and we had a nice meal, and it was one of those places that offered you fruit for dessert, and Janet said she would like a banana.

Well, there she was, sitting opposite me, and she held that banana in both hands and then looked at me and smiled.

Well, we all know what a banana is supposed to represent in a woman's mind, don't we?

She started to move the fingers of her right hand up and down and round that banana, looking at me all the time, and then she peeled it, and then she took the top part of the banana in her mouth, but she didn't bite at it, she just looked at me and then sucked gently at it.

Well, that was one of the best signs that I have ever seen, if a woman could do that with a banana, then she was obviously going to be great at sucking cock. That's what I mean by signs.

Well, it didn't take much talking to persuade her to come back to my place, and I thought I would find out as soon as possible if she was as sexy as that business with the banana suggested that she was, and the best way of finding out was to get her to suck my cock.

As soon as we got into bed, I asked her to suck me off, and she smiled, and then she really did treat my cock the same way that she treated the banana in the restaurant.

She curled the fingers of both hands round my shaft, then she used her fingers on my balls, then she stroked my cock, and then she lowered her head and ran the tip of her tongue very gently, and in a very sexy manner, over the head of my glans.

Then her mouth opened, and she took my cock inside and sucked really slowly, and it was then that I knew I was with a real expert, and that sign the had given me in the restaurant had been deliberate, she had wanted to know, even then, that she was good at sucking cock, and that she loved sucking cock.

She was brilliant, there is no other word for it, she made that suck last as long as possible for she knew that the longer it lasted the more spunk went into her mouth, and she drank it down, every last drop, and then carried on sucking in the hopes that she could some more from me.

Yes, that little scene with the banana had shown me that she could be good, and when she sucked my cock she proved that she was good.

That is why I say that you must look out for signs when you are with a woman. Not every one of them will have a banana, but there are other ways.

Perhaps the best sign is the look in the eyes when you talk about sex. For when I'm with a woman I want to bed down I always turn the subject round to sex and then I look at their eyes. If their eyes stay the same then I know they are not really interested, but if their eyes take on that sort of glow, that sort of look of lust, then I know that if just talking about sex makes them feel like that, then when they actually get down to fucking, they will be very good indeed.

Yes, look for the signs, that is what I say. That banana thing was a classic example.

Mind you, I wish there was a better way of finding out. I have spent so much money on taking women out and then found they are useless in bed, that it wants to make me cry.

I wonder if any of your other readers know the best way of finding out how good a woman is going to be in bed before you spend money on taking her out.

TRF Southsea.

Dear Editor,

There is a book on sale at the moment that is really outstanding. I found my copy in my local Private Shop. The book is called SEXUAL INTERCOURSE and it is supposed to be a sex education book.

Well, I reckon they have used that sex education tag just to get away with publishing the pictures in the book, for take it from me the pictures are way out, really hard and blue leave nothing to the imagination.

Like I said, I have never seen anything quite like this book before in my life, and the manager of the shop said that they were selling like hot cakes, and I can well understand why.

This book is amazing. It contains the best pictures of actual fucking that I have seen for a long time, and the women are stunning, and they really do appear to be fully enjoying what they are doing, and the actual close up shots of climax is amazing.

GFD Dalston

Dear Editor,

I have just found the most amazing sex educational book in my local Private Shop. I never thought that I would find a book such as this on sale in this country.

It is called THE JOYS OF MASTURBATION, and believe you me, this book really does live up to its title.

The text tells you all you could ever wish to know about make and female wanking, and that isn't all, for this book is packed with colour pictures, actually showing in great detail everything that has been mentioned in the text.

I suppose that because it is a sex educational book that they can thus get away with publishing such hard core pictures.

Take my word for it, the book is worth every single penny they are asking for it, for the pictures on their own are worth double the price of the book.

Like I said, I never thought that I would be able to find such a book on sale in this country. This book, this JOYS OF MASTURBATION has some of the hardest and most explicit pictures that I have ever seen in my life.

The pictures which show women actually using all the various wanking impliments, such as a vibros, fingers, candles, dildos, etc, are really stunning, and the women in the pictures are really beautiful and above all, they do look as if they are enjoying what they are doing.

I understand that this book is in a very limited edition, but that each Private Shop in the country has about one or two copies for sale.

If I were you, I'd rush down to my local Private Shop and get a copy of this. I would say that once the authorities get to know about this book that they will ban the sale of it.

Tony. P. Chingford.
